

Welcome to **PrintHouston 2012**, an annual celebration of original prints, the artists who create them, and the people who collect them. Exhibits, lectures, workshops, and special events at art galleries, non-profit organizations, print shops, and museums are happening throughout Houston.

**PrintHouston** is the brainchild of PrintMatters, the Houston-based artists' organization that creates, organizes, and promotes the event. This year, PrintMatters is particularly excited to host our first national print biennial: **NEXT**. Juried by Dr. Dena M. Woodall, Assistant Curator of Prints and Drawings at the Museum of Fine Arts, Houston, the exhibition will present print artists from around the US. We are also pleased to welcome our first Galveston gallery to our growing venue list.

Visit the PrintMatters website for expanded, up-to-date descriptions of all events and an interactive map to all venues.
